

## Company Campaign Enrollment:

- This feature provides an option for the agent to allow the company to send campaigns on their behalf. Once this feature is activated ALL campaigns the company chooses to send to the enrolled agent’s contacts will be sent branded as the agent.

To activate this feature, go to the ‘My Profile’, and under the ‘Account & Lead Settings’. Check the box ‘Allow Company to send Campaigns and other emails on my behalf’ then Save.

All Contacts- Email will go to all the company contacts and the contacts of the agents enrolled

Company Clients- Email will go to just the company contacts

Agent Clients- Email will be sent to just the enrolled agent’s contacts
