

Link Account and Post to LinkedIn and Twitter:

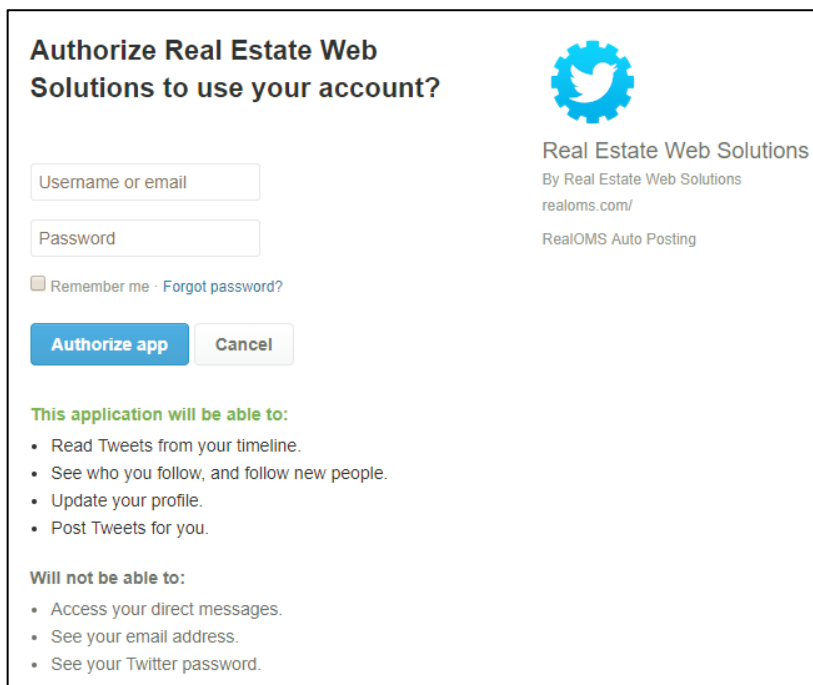

- This will allow you to post your listings to LinkedIn and Twitter.

Link your LinkedIn & Twitter Accounts:

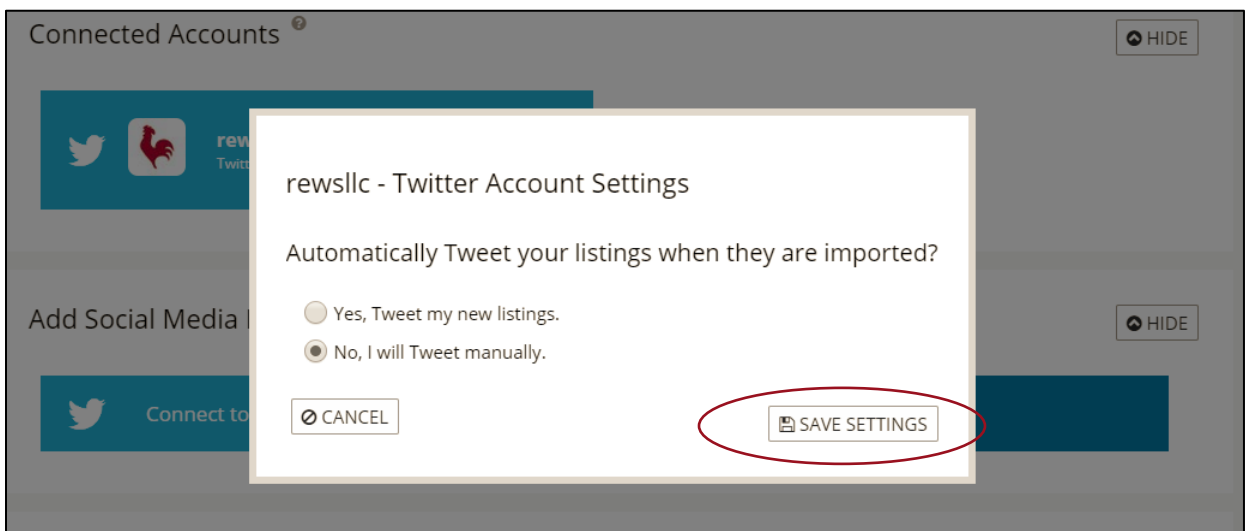

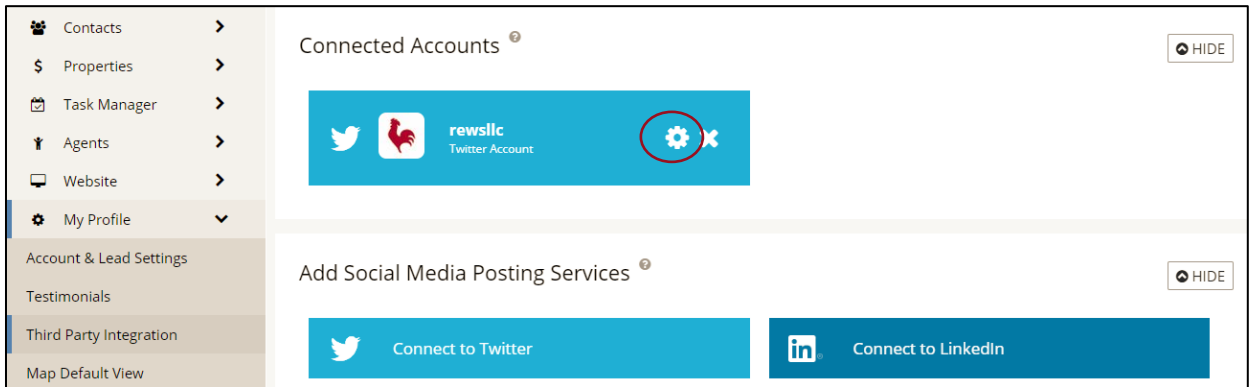

1. Login to backroom through the realOMS login.
2. Click 'My Profile' then 'Third Party Integration'. Click on 'Connect to Twitter'. You will be prompted to login to your Twitter account. *If you are already logged in to Twitter on your computer it will automatically link up that account you are logged into.

3. Enter your Twitter login information and Authorize REWS to use your account.

4. Your Twitter account is now linked. Click on the settings icon to set up auto post (this defaults to 'No, I will post manually.'). Save Settings.

To link your LinkedIn account, follow the same instructions as above clicking on 'Connect to LinkedIn'

Posting your listings to LinkedIn and Twitter:

1. Go to 'Properties' then 'Listings Main'. Click on 'Post To' next to the property you wish to post on LinkedIn and/or Twitter.

The image consists of two screenshots. The top screenshot shows the REWS 'Listings' interface. On the left is a navigation menu with 'Listings Main' selected. The main content area shows a listing card for '#REAL-TESTCOMP-1 - 123 main street' with details: Visibility: Visible, Status: Active, Price: \$500,000, Details Viewed: 3 times, Displayed on Page: 5 times, Displayed on Map: 0 times. A red circle highlights the 'POST TO' button, which has a dropdown menu open showing options for Facebook, LinkedIn, and Twitter. Below the listing card is another listing card for '#REWSDEMO-1 - 331 Bacon St.'.

The bottom screenshot shows a Twitter profile for REWS (@rewsllc). The profile bio states: 'We build full-featured, smart Customer Relationship Management (CRM) Systems - private and public websites for residential real estate brokers and their agents'. The location is 'St. Louis, MO' and the website is 'rewsllc.com'. The profile was joined in October 2010. The tweet section shows a tweet from 1m ago with the text 'vickydemo.realoms.com//REAL-TESTCOMP...' and a listing card for '123 main street wildwood, mo 63040' from 'vickydemo.realoms.com'.
