

## System Notification Alerts:

- To receive text message alerts on your cell phone you must enable text alerts. Instructional steps to active text alerts can be found in the text alert quick guide.

1. Login to backroom through the realOMS login.
2. Click on 'My Profile' then 'Notifications'. Check the boxes you would like to receive. Save.

The screenshot displays the 'realOMS by REWS' interface. On the left sidebar, the 'My Profile' menu item is highlighted with a red arrow, and its sub-menu item 'Notifications' is circled in red. The main content area is titled 'Notifications' and contains a section for 'System Notifications'. Each notification alert includes a title and two checkboxes: 'Email Me' and 'Text Me'. The alerts are as follows:

- Alert me when a user has Unsubscribed from future Newsletters or Marketing:  Email Me  Text Me
- Alert me when a user has Unsubscribed from future Sellers Edge Reports:  Email Me  Text Me
- Alert me when a user has Unsubscribed from future Favorite Updates:  Email Me  Text Me
- Alert me when a user has Unsubscribed from future Search Updates:  Email Me  Text Me
- Alert me when a user has Registered:  Email Me  Text Me
- Alert me when a user has Logged in:  Email Me  Text Me
- Alert me when a user has Logged in at least 3 times in the past 7 Days:  Email Me  Text Me
- Alert me when a user has Saved a new Search:  Email Me  Text Me
- Alert me when a user has Saved a new Favorite:  Email Me  Text Me

Buttons for 'HIDE ALL DETAILS', 'HIDE', and 'SAVE' are visible in the interface.
